We are so excited to share some amazing news with you! Our camp located at 210 Essex Street, Middleton, MA will forever be preserved and protected. Greenbelt, a local land trust located in Essex, MA has completed the $2.7 million dollar purchase to protect and place a conservation restriction on Camp Creighton from future developments, outside companies and such to alter the grounds located at the camp. The Boys & Girls Club of Lynn is forever grateful for this opportunity and it brings us so much joy knowing that we can continue to offer a summer camp program for children to attend, enjoy, grow and make everlasting memories at Camp Creighton. To learn more about this recent purchase, please www.ecga.org.
On July 20th some of our members had the opportunity to partake in a once in a lifetime experience! Our members spent the day at Above The Clouds which provides children with hands on experience to fly an airplane accompanied with their trained pilot. The children spent their time learning about aviation, received a tour of the facility, explored the inside of an airplane, and also got to help fly an airplane! At the end of their experience, they then received a special jacket and aviation sunglasses to complete their amazing day. A huge sincere thanks to Above The Clouds for making an everlasting impression in a child's life.
Our Northeast Burn basketball summer league has been doing some impressive things lately! Led by coach and mentor Loren "LG" Green, these kids had the opportunity to travel to Florida and play at the ESPN sports arena. They are a quite talented team and we could be more proud of all of their accomplishments. Fall leagues will be starting up again soon, so if your child is interested in joining a fun and hardworking team, this may be the perfect fit for them. Stay tuned for additional information regarding try-outs in the near future.
Our summer program at Kids Club has been in full swing! The BGCL staff has been doing an amazing job at keeping our members engaged and excited on a daily basis. Our members have been making new friends, learning new skills and creating many fun summer memories for them to reflect upon for the years to come! From playing at Lynch Park, to cooling off at the Lynn splash pads, to a trip to the movies and lastly, a visit from Whiz Kidz. These have been just a few of the fun activities they had the opportunity to take part in at the BGCL. Below are some highlights from our summer thus far.
Greetings from Camp Creighton! Our camp grounds have been filled with over 300 children daily ranging from ages 6-14. Our campers have been busy enjoying all that camp has to offer. Boating, fishing, art & crafts, swimming, cook-outs and ice cream trucks seems to be a fan favorite! We are very fortunate and grateful for the numerous sponsored weekly cook-outs and ice cream trucks. Our campers truly look forward to these each week! Below are some fun moments captured at Camp Creighton. We love seeing these happy faces each day!
