What our Borrowers are Saying

"Couldn’t really say thank you more. Finally started a reasonable job and a reasonable shift and I can’t mentally lose this. I should be on SS but I fight and always fall through the cracks. So this is going to save me."

What our Sponsors are Saying

"...We are extremely grateful for the financial assistance that Axuda has been able to provide with small, flexible no-interest loans. Emergency car repairs, lost wages due to COVID, or pressing technology needs can be devastating when an individual or family has no safety net as newer American arrivals. Your assistance has been a life-saver!..."

What is Axuda?

People Helping People

Axuda is a 501(c)3 non-profit organization providing an online, crowd-funding platform for Borrowers to make a loan request.

Axuda Loans can be used for...

- Car Repairs
- Dental Care
- Managing Rent
- Utilities
- Home Repairs
- Textbooks
- Work Gear
- Childcare
- Groceries

A Borrower candidate must:
- Be 18 years or older
- Maintain a valid checking or savings account
- Have access to a laptop or desktop PC

Once loans are approved by the Sponsor, they take up to 30 days to be crowd funded on the Axuda site by our generous Lenders.

After the funds are disbursed, Axuda Borrowers repay the loan within a year term. Payments are due on the 5th of each month.

Axuda’s Pay-it-forward model

As a Borrower repays their loan, those funds are distributed back to the Lenders, who can use their returned money to help the next Borrower.
